BUKU Resources guide

1. Click the link to get to Buku
<https://buku.io/ke/>

2. Click sign in and use the credentials given by the library team

The screenshot shows the BUKU website homepage. At the top, there is a navigation bar with the BUKU logo on the left, and links for "Why BUKU?", "Our Story", "Subscription", "Sign in", and a "Try for free" button. The main content area features a large headline: "Opening a world of knowledge and opportunities for everyone." Below the headline is a thick, black, hand-drawn underline. Underneath the underline, the text reads: "Unlimited access to the digital library of educational textbooks, for an affordable price."

3. Search for books by title, Subject or author in the search bar

The screenshot shows the BUKU library search results page. The browser address bar displays 'buku.app/?search=&searchType=books'. The search bar contains the text 'Search by title, author, ISBN, etc.' and shows 'Books 1000+' and 'Paragraphs' options. The search results are for '10000+ results found'. On the left, there is a 'Category' section with a search box and a list of categories: Technology & Engineering (26034), Medical (25536), Computers (23275), Science (18616), Business & Economics (18076), Social Science (11829), Education (8451), Political Science (7789), History (7022), and Literary Criticism (4433). Below the categories is a 'Show all categories' link. The main content area shows 'Search results for:' followed by a grid of four book covers. The books are: 'Doing Research in Business and Management' by SAGE Publications (Edition 1 - 1998), 'Key Concepts in Sport and Exercise Sciences' by SAGE Publications (Edition 1 - 2008), 'Introduction to Politics and Society' by SAGE Publications (Edition 1 - 2001), and 'Teaching Gifted and Talented Pupils in the Primary School' by SAGE Publications (Edition 1 - 2005). At the bottom, there is a 'Publisher' section and a pagination bar showing page 1 of 5.
