

THE LIBRARY

HOW TO USE REMOTEXS OFF-CAMPUS ACCESS USER INTERFACE

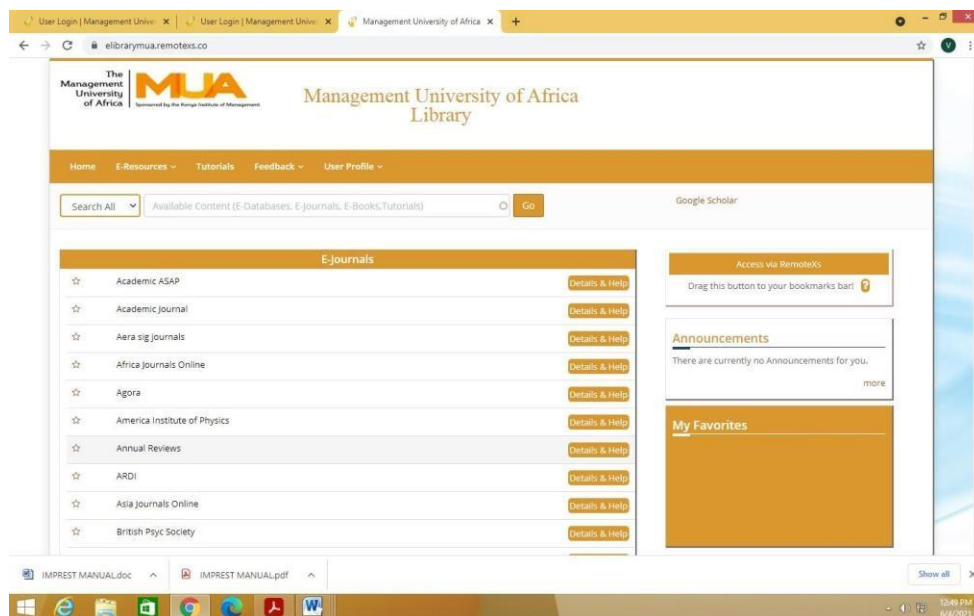

1. To access RemoteXs E-Library please go to the Library Management University of Africa website/OPAC using this link <http://library.mua.ac.ke:8000/>
2. On the OPAC go the left menu bar listed

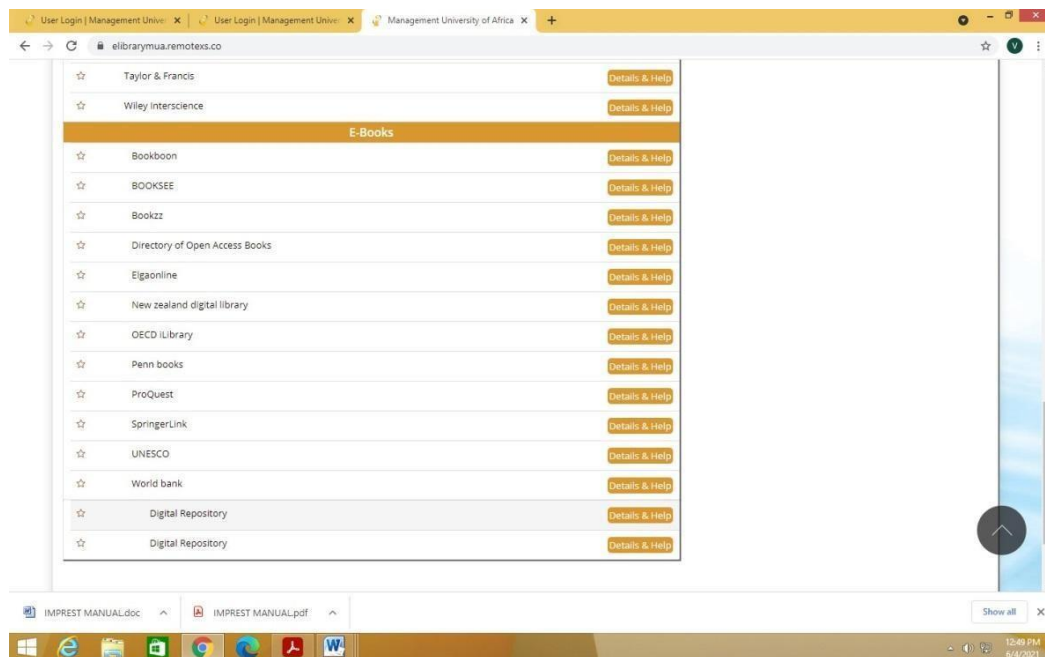

3. From the menu options click on Offcampus Access
4. A click on Offcampus Access will direct you to RemoteXs Login page below

5. Login using your credentials (Username and Password) that you were sent in your emails.
Nb/: the default password expires after a week therefore set your preferred password before the default password expires.
6. Once you login using your credentials, you will see the home page (Management University of Africa Library) below

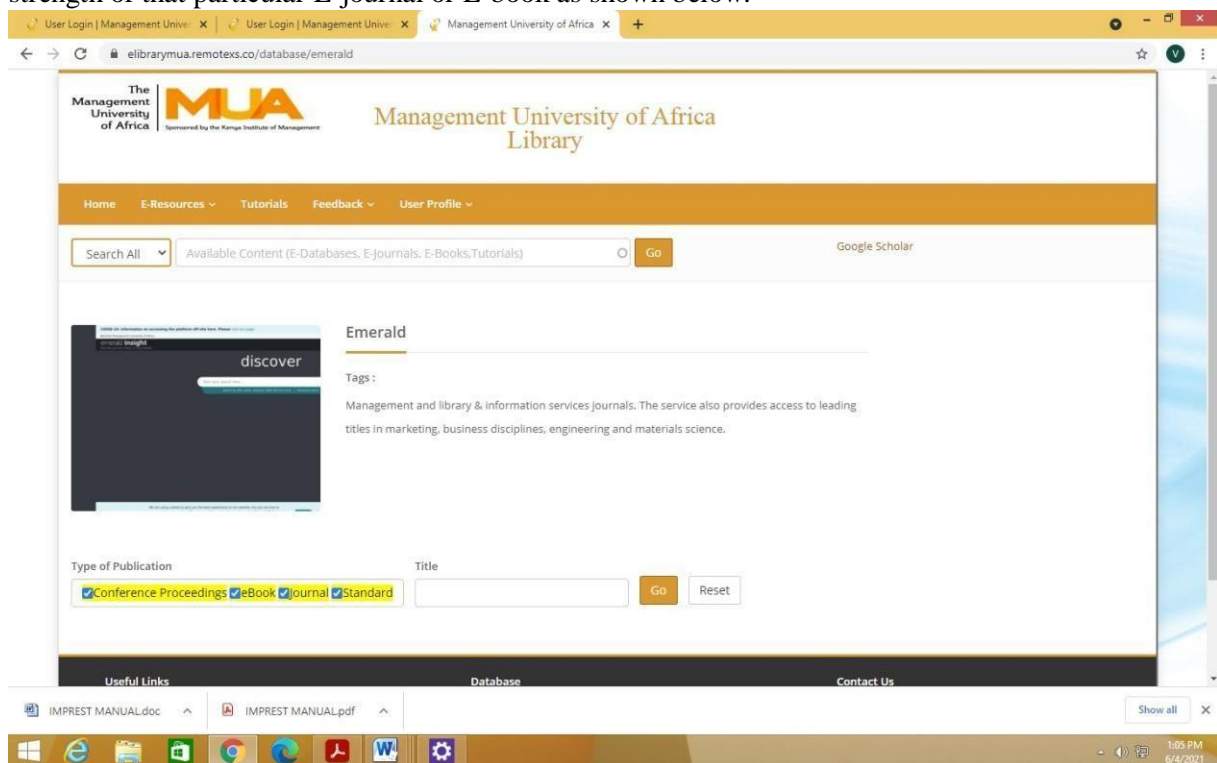

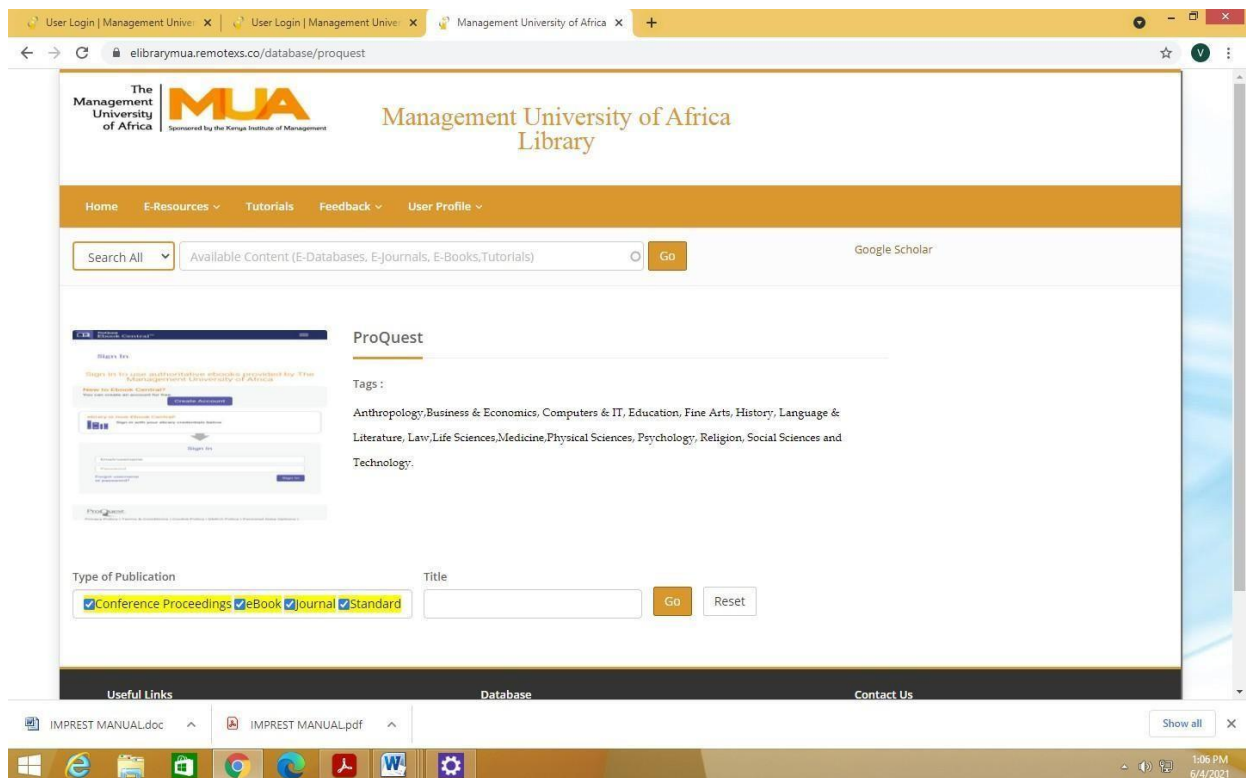

7. On the Library Page, you will see a list of E-resources (E-Journals and E-books)

8. One can browse through a list of E-journals and E-books

9. On the right side of each E-resource, is details and help, a click on it will show you the subject strength of that particular E-journal or E-book as shown below.

For more clarification, please get in touch through the email below Library@mua.ac.ke
